b) Software information. For example, the version number of the software.

2) Account registration/login:

Due to functional requirements in the software, your device information identifier may be used as a basis to help you establish a default account, enabling you to

You can directly log in and use this software and its related services.

3) Purchase Service:

When purchasing software services, we need to collect some or all of the following personal

information, including: transaction service information, transaction amount, transaction time, order number, order status, payment method, payment serial number, payment status. We collect this information to help you successfully complete transactions, query order information, provide customer service, etc.

4) How will we use the collected information:

We strictly abide by the provisions of laws and regulations and the agreements with users, and use the collected information for the following purposes:

- a) Provide services to you and maintain and improve these services;
- b) Product development and service optimization. For example, when our system malfunctions, we will record and analyze the information generated during system failures to optimize our services;
- c) We may use your personal information to prevent, detect, and investigate fraud, security hazards, illegal or violations of agreements, policies, or rules with us or our affiliates, in order to protect the legitimate rights and interests of you, our other users, us, or our affiliates;
- d) Safety assurance. For example, we will use your information for authentication, security prevention, anti fraud monitoring, archive backup, customer security services, and other purposes;
- e) We may use the data you upload on this app to discover more services for you;
- f) Other uses approved by you.

2. How do we share, transfer, and publicly disclose your personal information

1) Sharing

We will not share your personal information with any company, organization, or individual outside of our company unless we obtain your explicit consent. We may share your personal information with the public in accordance with laws and regulations or mandatory requirements of government regulatory authorities.

2) Transfer

We will not transfer your personal information to any company, organization, or individual, except for the following situations:

- a) Transfer with explicit consent: After obtaining your explicit consent, we will transfer your personal information to other parties;
- b) When it comes to mergers, acquisitions, or bankruptcy liquidation, if it involves the transfer of personal information, we will require the new company or organization that holds your personal information to continue to be bound by this privacy policy. Otherwise, we will require the company or organization to seek your authorization and consent again.

3) Public disclosure

We will only publicly disclose your personal information in the following circumstances:

- a) After obtaining your explicit consent;
- b) Disclosure based on law: In cases where required by law, legal proceedings, litigation, or mandatory government authorities, we may publicly disclose your personal information.

3. How do we protect the security of personal information

1) We attach great importance to the security of your personal information and will strive to take reasonable security measures (including technical and management aspects) to protect your personal information, prevent improper use or unauthorized access, public disclosure, use, modification, damage, loss or leakage of the personal information you provide.

2) We will use encryption technology, anonymization processing, and relevant reasonable and feasible means that are no lower than industry peers to protect your personal information, and use security protection mechanisms to prevent malicious attacks on your personal information.

3) We adopt strict data usage and access policies to ensure that only authorized personnel can access your personal information, and conduct timely security audits of data and technology.

4) Although the above reasonable and effective measures have been taken and the standards required by relevant laws and regulations have been complied with, please understand that due to technological limitations and various malicious means that may exist, in the internet industry,

even if every effort is made to strengthen security measures, it is impossible to always ensure 100% security of information. We will do our best to ensure the security of the personal information you provide us.

4. Storage of Information

We will store the personal information of users collected within China in accordance with laws and regulations.

At present, we do not transmit or store your personal information across borders. If cross-border transmission or storage is required in the future, we will inform you of the purpose, recipient, security measures, and security risks of the information leaving the country, and obtain your consent.

5. Manage your personal information

We will collect and use your information solely to achieve the functionality of our products or services, as stated in this policy. If you find that we have violated laws, administrative regulations, or agreements between both parties in collecting and using your personal information, you can request us to delete it. If you find any errors in the personal information we collect and store about you, you can also request us to correct them. Please contact us through the contact information listed in this policy.

6. Minors clause

We attach great importance to the protection of personal information of minors. According to relevant laws and regulations, if you are a minor under the age of 18, you should obtain the consent of your parent or legal guardian before using our services.

7. Revision and Notification of Privacy Policy

In order to provide you with better services, our products will be updated and changed from time to time. We will make timely revisions to this privacy policy, which form a part of this privacy policy and have the same effect as this privacy policy. Without your explicit consent, we will not reduce your rights under the current effective privacy policy.

8. Contact Us

If you have any questions, opinions or suggestions regarding this privacy policy, please contact us through the following methods:

mail box: FujinoMorihe@outlook.com

Normally, we will reply within fifteen days.
